HEADTEACHER: MRS. E. PEARSON

12 May 2024

Dear Parent and Carers,

Parent consultations – In the October consultations 92% of children’s parents/carers attended. In April this went up to 97.5% This shows strong parental support to children’s learning and gave the teachers the opportunity to celebrate children’s success.

Uniform – Last term we said that children can wear black joggers on PE days. Unfortunately, we are getting a wide range of clothing being worn some not suitable to PE. T-shirts not crop tops should be worn, shorts should be baggy and of a reasonable length to allow movement; no skin tight /cycling shorts to be worn. Only **black shoes or black trainers can be worn.**

Sun cream – As the weather gets warmer please can you put sun cream on children before school. We cannot administer sun cream. They can put it on themselves but any cream sent in needs to be labelled and will be kept by the teacher in the classroom.

New Build – there will be a weekly update regarding the build each week so please look out for it. Progress is good and the children are enjoying watching the daily changes. We will be starting to paint the boards from next week. Thank you for all the donations of paint we still need more! If you have any spare paint please send it in.

Sports week – Mrs Thomas and SLT have taken the decision that Sports week will run differently this year due to the new build and our restricted space and access.

The children will be taking part in a variety of activities during the week. On the Friday they will be taking part in an interschool carousel of activities and some races. Unfortunately, we are unable to invite parents this year due to the lack of space and access. We will also be celebrating the Olympics. All classes have chosen a country and will be researching and learning about that country. On Friday 12th July we would like to

invite parents for a Wow walk around the school (2:45:3:15). There will be slide shows in all classes showing pictures and videos of the whole weeks activities and children will be able to share the work they have done.

Film night For Yr R, 1 and 2 Tuesday 21st May, For Yr 3, 4, 5 and 6 Wednesday 22nd May the film will be Migration. More details to follow.

Reminder that **Monday 3rd June will be a staff development day** so school will be closed that day.

Thank you for your continued support.

Mrs E Pearson
